

Course Title	TRANSLATING SCIENTIFIC AND PROFESSIONAL TEXTS				
Faculty	Faculty of Law and Business Studies Dr Lazar Vrkić				
Study Programme	English Language				
Professor	Slobodan D. Jovanović, Ph.D. Associate Prof.	Contact (e-mail address)	jovanovic072@sbb.rs		
Code		Course level	undergraduate (BA)	ECTS credits	8
Description (max. 100 words)	<p>Acquiring the knowledge offered in textbooks authored by world's top experts, analysing a broad choice of materials for practical translation, students are introduced into techniques applied in translating different sorts of scientific and professional texts. Gradual definition of standards leads them to mastering of required skills and abilities on all levels and in all profiles of doing translations from English into Serbian and vice versa, especially in the areas of Law, Business/financial operations, Technology and Engineering. Students are taught to distinguish among different kinds and types of discourse, to use auxiliary sources such as specialised dictionaries, encyclopaedias, the Internet...</p>				
Learning outcomes (max. 50 words)	<p>Having successfully completed this course, students are now capable of resolving problems of translating texts from the court, administrative, professional and official practices. They have become familiar with the manners, techniques, requirements and challenges of translating from/into English and can engage in translating tasks they are entrusted with.</p>
