Professor	Full professor Duško Radosavljević		Contact (e-mail address)	dradosavljevic@useens.net	
Code		Course level	Undergraduate (BA)	ECTS credits	8
Description (max. 100 words)	<p>The objective is to offer students the knowledge of European law, to help them understand the meaning, importance and role thereof, in particular the impact on the national laws of member states. Students become familiar with the basic principles, standards, concepts and procedures, institutions and structure thereof; to understand the process of European integrations, primarily harmonization of Serbian laws with the European law. Students are also to become familiar with the economic, political and social integration processes and perspectives of the EU, as well as with significant topics of European cultural and historical identity.</p>				
Learning outcomes (max. 50 words)	<p>Students know the sources, concepts and categories of EU rights. They understand the importance and role of the EU law and the European integration process, the significance, procedures and prospects of harmonising Serbian laws with the EU law. They collect and critically analyse relevant literature and normative materials.</p>
